

Pioneers in Engineering

DESIGN, BUILD, DRIVE YOUR OWN ROBOT!

Want to build robots? Want to duke it out against other high school robots?
Then join the PiE 2014 competition team in your school!

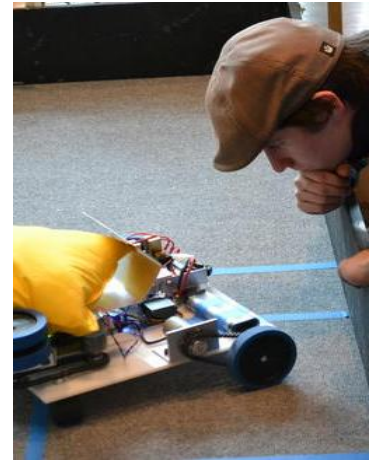

Come and join your high school team! You'll be able to:

- ⚙️ Learn to function as a team
- ⚙️ Have backup from Mentors
- ⚙️ Time Management
- ⚙️ Create new bonds with mentors and even other teams
- ⚙️ Have robots battle it out!!!
- ⚙️ Build robots!!!!

Do you need to have knowledge in robotics to participate?

Nope, PiE is open to anyone who is dedicated and willing to learn robotics!

When and what do you do throughout the season? Here are all the events and dates!

Date	Event	Description
March 1st	Kickoff	The first event for PiE which gives the team the opportunity to meet and chat with their mentors, and learn basics of robot construction!
March 8th	Game Day	The start of the competition! You will obtain a robot base kit, and participate in workshops that will help you throughout the competition. Finally, the game will be revealed!
March 17th-21st	Design Reviews	Time to be Professional! This is where you show off your designs to UC Berkeley Professors and experts in the industry, and obtain feedback to improve them!
April 13th	Scrimmage	Time to show off your team's hard work and dedication! Make final adjustments to your robots in scrimmage, and scout out what other teams are doing.
April 26th-27th	Final Competition	This is it, time to battle it out, but most importantly have fun!

Still deciding on whether or not to join? Did we mention you can build Robots?

Hurry! Last day to turn in your team's application is November 30th. Register online at pioneers.berkeley.edu/register/team.

We are excited to have your school in our 2014 competition!
